COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Mail Stop ISSUE FEE
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Examiner indicates:

The method of forming paste on a surface of an object as claimed including particularly the step of providing a stencil with the specific structural requirement as defined and the steps of applying the paste to the stencil and preventing contact of the paste with a portion of the second wall portion during the applying step is not taught nor suggested by the prior art of record.

Applicants concur with the reasons as stated by the Examiner insofar as they comprise a summary, and are exemplary and not limiting. However, the independent claims as allowed include other and different language than that specified by the Examiner, and the allowed dependent claims include other and further features and elements. Accordingly, the scope of the claims must be determined from the literal language of each as a whole, as well as equivalents thereof.
